Have You Checked Your Credit Report Recently?

The Fair and Accurate Credit Transactions Act of 2003--or FACT Act--allows consumers to request and obtain a free credit report once a year from each of the three nationwide consumer credit reporting companies (Equifax, Experian, and TransUnion). We recommend that our members take full advantage of this service and order their free credit report once a year so they are aware of any changes in status or credit score.

Visit AnnualCreditReport.com or call 1-877-322-8228 to request your copy.
