Account Safety Tips!

Be on alert: phishing attempts may occur as fraudsters try to trick cardholders into providing any missing confidential details to perpetrate fraud. Cardholders should never give out full card numbers, passwords (either to bank or merchant accounts), social security numbers, or other sensitive information

over the phone.

Change your password often and use a strong combination of characters, numbers and symbols!

Have You Ordered a New Debit or Credit Card?

Please note that new debit and credit cards arrive in the mail in a plain, unmarked envelope, which may be confused for spam. If you've ordered a card, check all envelopes that come in the mail!

Credit Sense, powered by SavvyMoney®, enables IBEW 26 FCU account holders to not only conveniently access and monitor their credit score but also receive tips to improve it and ultimately save money – all through the security of your [online banking](#) and mobile app.

Keep Your Account Safe!

- Download [Card Valet](#) to turn your card on and off, and set parameters.
