The Union Dollar News

November 2023

A message from our new CEO, Joshua C. Urbick:

November is a month of gratitude. It's a time for us to be intentional about our Thanksgiving. We have so much to be grateful for, as we begin the month by thanking our veterans for their service, and conclude the month gathered together with family and friends around the Thanksgiving table.

Life is full of blessings and goodness, but sometimes we need to pause and reflect on just how blessed we truly are. I am thankful this month for our Veterans and their service to this great country!

*I am also thankful for the warm welcome that I have received from everyone at the Local 26, the credit union staff and the board. I look forward to continuing to support our union members, by ensuring we are your premier financial institution, through offering products and services designed to meet your needs at whatever stage you are at in your life journey. Whether it's your first car loan, or you are planning for retirement, we are here to serve you!
I wish you all a very Happy Thanksgiving!*

**THERE WILL BE LIMITED LOBBY HOURS FOR THE CREDIT UNION ON
NOVEMBER 14, 15 & 16.**

**The staff will be working these days, however, you will need to call before
visiting to ensure you are able to access the Credit Union lobby.**

Thank you for your patience!

**Take a Holiday from your December 2023

Ameriprise Long Term Care Program

Long-Term Care Awareness Month is observed in November. This month-long observance highlights the long-term care needs of men and women over the age of 65, and how they should be assisted in their daily lives. Contact [Yvonne H Bass, CLTC](#) to find out how you can get coverage.

Traveling?

- Please call our office to provide travel dates for debit & credit card use -- this can prevent your card being shut off due to suspicious, out-of-state activity: 301-306-0610.
- Please note that only credit cards can be used internationally (and require travel date notification).

Account Safety Tips!

Be on alert: phishing attempts may occur as fraudsters try to trick cardholders into providing any missing confidential details to perpetrate fraud. Cardholders should never give out full card numbers, passwords (either to bank or merchant accounts), social security numbers, or other sensitive information over the phone.

Change your password often and
use a strong combination of
characters, numbers and symbols!

Have Your Ordered a New Debit or Credit Card?

Please note that new debit and credit cards arrive in the mail in a plain, unmarked envelope, which may be confused for spam. If you've ordered a card, check all envelopes that come in the mail!

Keep Your Account Safe!

- Download [Card Valet](#) to turn your card on and off, and set parameters.
- Never swipe your card if the chip declines, as this can lead to higher risk of fraud.
- Request an anti-skimming card protector to be mailed to you at no cost.
