Traveling?

- Please call our office to provide travel dates for debit & credit card use -- this can prevent your card being shut off due to suspicious, out-of-state activity: 301-306-0610.
- Please note that only credit cards can be used internationally (and require travel date notification).

Account Safety Tips!

Be on alert: phishing attempts may occur as fraudsters try to trick cardholders into providing any missing confidential details to perpetrate fraud. Cardholders should never give out full card numbers, passwords (either to bank or merchant accounts), social security numbers, or other sensitive information over the phone.

Have Your Ordered a New Debit or Credit Card?

Please note that new debit and credit cards arrive in the mail in a plain, unmarked envelope, which may be confused for spam. If you've ordered a card, check all envelopes that come in the mail!

Keep Your Account Safe!

- Download [Card Valet](#) to turn your card on and off, and set parameters.
- Never swipe your card if the chip declines, as this can lead to higher risk of fraud.
- Request an anti-skimming card protector to be mailed to you at no cost.
