A Thanksgiving Message

As we enter the season of Thanksgiving, it's a time to pause and reflect on the blessings in our lives. At IBEW 26 Federal Credit Union, we are especially grateful for you, our incredible members. You are the reason we exist and the heart of everything we do.

We are also thankful for our dedicated employees, our volunteer Board of Directors and Supervisory Committee, our union partners, and our valued vendor partners who help us serve you each and every day.

Life is never without its challenges, but there is something powerful about choosing gratitude, even in difficult moments. A thankful heart can shift our perspective, bring peace, and remind us of what truly matters.

This Thanksgiving, I encourage you to take a moment around the table to reflect on one thing from this past year that you are truly thankful for. As for me, I'm thankful for the continued opportunity to serve you, our members, and to be part of this incredible credit union family.

From all of us at IBEW 26 Federal Credit Union, we wish you and your loved ones a happy, healthy, and meaningful Thanksgiving.

Warmest regards,
Joshua C. Urbick
CEO

Your credit is one of your most valuable assets, and staying on top of it is easier than ever. With Credit Monitoring built into your Credit Score feature, you'll receive real-time alerts whenever key changes occur on your credit report, such as new accounts, inquiries, or updates to your payment history.

You'll also receive email alerts to keep you notified anytime, anywhere, helping you act quickly if something doesn't look right.

Why it matters:

- 1 in 3 people has an error on their credit report that can affect their score.
- Identity theft affects millions each year. Credit monitoring helps you spot unusual activity early.
- Consumers who monitor their credit regularly are more likely to improve their scores and reach financial goals.

Traveling?

- Please call our office to provide travel dates for debit & credit card use -- this can prevent your card being shut off due to suspicious, out-of-state activity: 301-306-0610.
- Please note that only credit cards can be used internationally (and require travel date notification).

Have Your Ordered a New Debit or Credit Card?

Please note that new debit and credit cards arrive in the mail in a plain, unmarked envelope, which may be confused for spam. If you've ordered a card, check all envelopes that come in the mail!

Keep Your Account Safe!

- Download [Card Valet](#) to turn your card on and off, and set parameters.
- Never swipe your card if the chip declines, as this can lead to higher risk

of fraud.

- Request an anti-skimming card protector to be mailed to you at no cost.
