A Message to Our Members

We are saddened to once again share the passing of someone very near and dear to our credit union family, our Board Member and Supervisory Committee Chair, Keith Sutphin.

Keith dedicated many years of service to this credit union, beginning as a young man and contributing in countless ways to ensure we remained financially strong and true to our mission. He took great pride in serving the labor union community he was part of, and he was a union man through and through.

Keith was also the very first board member to visit me when I stepped into the role of CEO. He welcomed me with a genuine Maryland warmth and spent that time talking about things that were truly important to him: this credit union and its future, the labor unions we serve, and of course the Washington Commanders.

While we are deeply saddened by his passing, we are grateful for the impact he made and the example he set.

His legacy will continue to live on through this credit union and the many lives he touched.
